Manufacturer's Certification Statement

Issued January 2023

Interstate Window & Door Company, a division of Interstate Building Materials, Inc., located at 3002 North Township Blvd. Pittston, PA 18640, provides this Manufacturer's Certification Statement so that you, the homeowner, can verify that certain exterior windows and doors manufactured by Interstate Window & Door Company are eligible for the energy tax credits allowed by Section 25C of the Internal Revenue Code. The Inflation Reduction Act of 2022 makes notable changes to the prior tax credit benefit, which applies to certain exterior windows and doors, installed between January 1, 2023, and December 31, 2032.

The tax credit for an individual is 30% of the amount paid or incurred for all Qualified Energy Efficiency Improvements installed during the taxable year, for a maximum credit of \$1200 per year. For exterior windows and skylights, the maximum credit allowed per year is \$600.

The term "Qualified Energy Efficiency Improvement," means any Energy Efficient Building Component if the product is installed in the taxpayer's principal residence, original use of product begins with the taxpayer, and the product reasonably remains in use for at least 5 years. "Energy Efficient Building Components" includes exterior windows meeting ENERGY STAR program requirements for your region.

In accordance with IRS guidelines, including IRC Section 25C, IRS Notice 2006-26 and IRS Notice 2009-53, Interstate Window & Door Company has determined that, provided all other requirements of Section 25C are met, Interstate Window & Door Company windows meeting ENERGY STAR program requirements in the region in which you live are "Eligible Building Envelope Components."

Refer to https://www.energystar.gov/products/most_efficient as well as <http://www.energystar.gov> to determine the qualifying products for your region.

Thermal performance criteria for Interstate Window & Door Company ENERGY STAR-labeled products have been independently tested as verified by the National Fenestration Rating Council® (NFRC).

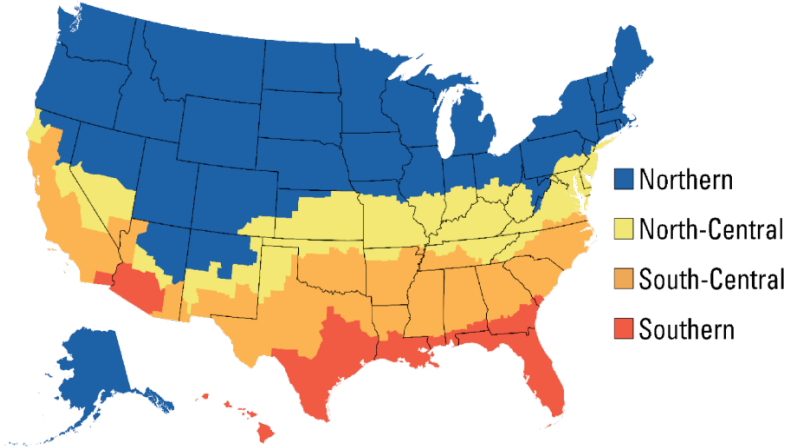

For more information, qualifications, limitations and criteria for the tax credit as detailed in the Act, consult your tax professional. Interstate Window & Door Company expressly does not intend to provide and is not providing legal or tax advice.

Under the penalties of perjury, I declare that I have examined this certification statement and, to the best of my knowledge and belief, the facts presented are true, correct, and complete.
